# Castelation® &
Castelation® Screenclad

Castelation® & Castelation® Screenclad

Efficient and reliable and multi-dimensional battens

The fresh appeal of modern battens. Castelation® and Castelation® Screenclad available in a range of material options are partner products from Modinex. Both profiles complement contemporary design trends in commercial and residential buildings. Continuous channels and shadowlines achieve a multi-dimensional batten look that is efficient and reliable.

Features and benefits

Sustainable Timber
Sustainably-harvested timber PEFC™ Certified
