

Castelation® Screenclad TwoTone

Castelation® Screenclad TwoTone

Make a luxurious statement

This classy timber panelling innovation is guaranteed to turn heads. Available in a range of stunning and stylish pre-finished colours, Castelation® Screenclad TwoTone offers style, colour, texture dimension all in one.

Features and benefits

Variety in Timber

Available in Double Black & Double White with solid colours in grooves with wash colours on raised highlights. Also available with Mocha or Sago grooves and Clear Satin raised highlights

Easy To Install

Interlocking profile gives consistent alignment and integrity and makes it easy and straightforward to install

Pre-finished TwoTone Coatings

Pre-finished TwoTone product is only suitable for use on internal and out-of-weather applications. [If external TwoTone is required, use Attaché Clad]

Interchangeable - Get Creative Series

This profile is part of the Modinex 'Get Creative Series' and is interchangeable to create your own custom design effect

Seamless Design

Specially designed interlocking tongue allows for secret fixing while single piece 'batten' look means installation is efficient and uncomplicated

Sustainable Timber

Sustainably-harvested timber
PEFC™ Certified

Castelation® Screenclad TwoTone is ideal for

- Entrances
- Ceilings
- Feature walls
- Commercial offices
- Public spaces
- Internal features
- Alfrescos
- Retail fit outs
