

Rib Clad

Rib Clad

Corrugated Class

Rib Clad, in Western Red Cedar, is a modern and classy alternative to corrugated iron. This dynamic profile balances the boldness of defined ridges with smooth, continuous curves and the natural beauty of timber. Rib Clad uses perfectly even furrows to produce dramatic shadows and highlights. Use Rib Clad both horizontally or vertically.

Features and benefits

- Available in overlap or tongue and groove profiles
- Overlap profile has machined drip grooves for superior weather protection
- Tongue and groove profile interchangeable with profiles in the Creative Combinations Range
- Can be painted or stained
- Excellent insulation and acoustic qualities
- PEFC™ certified.

Rib Clad is ideal for

- Residential
- Commercial
- Office fit-outs
- Feature panels
- Wall
- Ceilings
- Alfresco
- Dining Areas
