Striking. Modern. Versatile.

Create stunning architectural features with Screening and Square Dressed profiles from Cedar Sales. Western Red Cedar offers unrivalled straightness and dimensional stability. No other species can suspend between two points with the same success making it perfect for shutters, blinds and commercial screening applications.

FEATURES + BENEFITS

- Unique ability to suspend between fixing points and sustain the elements far better than any other known timber species in the world.
- Provides parallel, consistent and sharp shadow lines.
- Thermal qualities to withstand direct sunlight.
- Suitable for use in both internal and external applications.
- Extremely versatile.
- Can be used both vertically and horizontally.
- PEFC™ certified.

IDEAL USES

- Facades
- Commercial projects
- Retail fit-outs
- Office spaces
- Atriums / foyers
- Restaurants, cafes and pubs

Photographs, images and drawings used herein are for illustration purposes only. Colours, grades and finishes on actual products may vary. All timber products will vary from samples. Being a natural product, expect sheen, tonal and colour variation and natural features including knots, grains and grain impressions. We recommend viewing all products prior to installation. Cedar Sales* is unable to offer any specific performance warranties for its products because of the wide variation in applications possible. These variables include but are not limited to; situation, design and structure, aspect and differing exposure to the weather. For more details, visit cedarsales.com.au/terms-and-condition-of-trade.
