PRODUCT FACT SHEET

Shingles

Classic Shingles

Modinex Shingles are ideal for gazebos and outdoor rooms. Benefits of Western Red Cedar Shingles include durability, exceptional insulation and low maintenance, as well as natural, rustic texture. Shingles are ideal for remodelling, but can also be used for new construction projects. Modinex recommends coating Shingles in Cutek® penetrating external oil to give extra protection, stability and longevity.

FEATURES + BENEFITS:

- Vertical grain for stability.
- Low maintenance.
- Fine sawn finish.
- Can be cut to required shape and size easily
- Comes in random widths to enhance traditional effect.
- PEFC™ certified

IDEAL USES

- Gazebos
- Exposed rooms
- Roofs
- Exterios
