

Shiplap

Shiplap

Perfect lines as far as the eye can see

Our Shiplap boards are profiled to produce an overlap, which allows for a continuous cladding look and uninterrupted, clean lines. They can be used in both vertical and horizontal applications.

Features and benefits

Sustainable Timbers

Sustainably-harvested timber PEFC™ Certified

Insulation

Excellent insulation and acoustic

Weather Protection

Overlap profile has machined drip grooves for superior weather protection

Diverse Look

Can be painted or stained. Available in Dressed face and Bandsawn face

Shiplap is ideal for

- Commercial projects
- Wrap around style
- Residential projects
- Public spaces
- Alfresco / soffits
